“Caring now, for the future of our community, those in need, our lifestyles, one another, our education and the future itself”

Hello from the Seaton Primary School Pastoral and Safeguarding Team – Mrs Eriksson & Ms Salter!

We know this is a very strange time but want you to know that we are still here and thinking about you even though it has been a long time.

We all hope that you are staying safe, looking after yourselves and are healthy. We know your teachers have been setting work on Google Classroom and hope that you have been enjoying this.

In times like this, it can sometimes be confusing or frustrating – particularly when we can't see our friends and we don't have our normal routines, we have prepared some useful information below to help support keeping you safe, healthy and happy...
